“In 2024 Sri Lanka brought in legislation to curtail harvesting, trade and export of crabs below 400g. Ministry of Crab is proud to have been a proponent of this legislation by advocating such a move and never serving crabs below 500g from our inception in 2011.”

BLACK PEPPER DASHI CRAB

Black Pepper has been the true “King of Spice” of Sri Lanka for centuries, as red chilli was not native to Asia. This dish is deeply rooted in the Japanese culinary philosophy of ‘dashi’, where the dashi of black pepper forms its base, fusing two native Sri Lankan ingredients together; black pepper and mud crab. The heat is kicked up a notch with hand-crushed black pepper that’s rolled on our “Miris Gala” (traditional grinding stone).

MOC ORIGINAL CHILLI CRAB

This dish is made with a fiery chilli sauce, originating from Chef Dharshan’s Japanese restaurant Nihonbashi. The umami flavours of onion and tomato are combined with red chillies of Sri Lanka, and the sauce is made fresh daily. This is a non-sweet sauce that makes this crab preparation unique.

GARLIC CHILLI CRAB

A Ministry of Crab original, where Mediterranean flavours and Japanese food philosophies meet Sri Lankan crab. It is a blend of the distinct flavours of Italian olive oil, garlic, Sri Lankan chilli flakes, and Japanese soy sauce. The thick shell of the Sri Lankan mud crab adds an unbelievable depth to the flavoured oil, which is great to be soaked up with our Kade Bread.

PURE CRAB

The mud crabs of Sri Lanka have an amazing sweetness to them and the best way to experience these majestic crustaceans would be to provide us with six hours’ notice, to steam a crab of your choice, male or female, and chill it to enhance it’s flavour. Served with warm butter and ‘ponzu inspired’ original aged soy sauce, this dish may sound simple but this is what it’s all about! Order male crabs for more claw meat, and female crabs for tender sweet meat.

SRI LANKAN CURRY CRAB

A traditional Sri Lankan curry that combines the island’s iconic mud crab with an array of local spices, sprigs of moringa, and pandan leaves. The combination of aromatic spices with the freshness of the crab gives this dish a deep flavour that is unique to this part of the world.

The Freshwater Prawns of Sri Lanka, also known as Lake Lobsters, are giants compared to their counterparts and it is very rare to find a consistent supply of prawns of this size. In fact, Sri Lanka has the distinction of being one of a very few countries blessed with this culinary gem. They are farm hatched and released into the wild, growing to great sizes in the amazing lakes built by our kings.
